

# DAY of CARING

sponsored by

Saturday  
May 1, 2010

It's good for our community,  
it's good for business.  
It's fun. It's easy...

Teams of volunteers tackle projects at local agencies in the area. Typical projects include painting rooms at an afterschool program, gardening at a group home, and outdoor clean-up.

No special talents are required only a willingness to help others.

Select your project, or projects can be customized to fit your needs.

Every Day of Caring volunteer receives a FREE t-shirt.

For more information, please contact Krista Garofalo at 772-464-5300 or [krista.garofalo@unitedwayslc.org](mailto:krista.garofalo@unitedwayslc.org)
